
Welcome

PTA Annual General Meeting

8th October 2024

Why do we need an AGM?

We are a registered charity

We are governed by a constitution

We value an open, collaborative and welcoming structure.

What will I take away?

- How the PTA work and who we are
- What we've been up to
- What we want to do in 2024 – 2025
- Ways we are looking for extra support

The way we work

The School

Provide priorities, direct funds to where they are needed most, support the PTA in fundraising and contributing to the community of the school

The Committee

Provide the main liaison point with the school, help to coordinate PTA activities across the year and ensure the PTA is supporting the school in the best way possible

Funding Committee

Meets once a term to discuss funding requests put forward by the school. Oversees the allocation of funds raised

Class Reps

The main liaisons between the committee and the rest of the school. A critical part of helping to communicate, recruit and organise!
